RIDES: No organized club rides due to coronavirus and Stay At Home executive order extended to May 28. Les O. asked when club group rides may resume after the Stay At Home order expires. Chris B. pointed out that Michigan is in Phase 3 of state pandemic plan so gatherings are not allowed, which should include group rides. CRR board and ride director will continue to evaluate as new data/state orders come up.

OLD BUSINESS:

Merchandise:

Jerseys: Doris memorial club jersey is available for members to order on CRR website. Not yet at required minimum order of 10. Craig will send reminder email; Heather to post reminder on Facebook group.

Circuit shirts: On hold. Vendor is not open.

Banquet: Date TBD. Need minimum of 30 people for current venue (which is still closed). Les O. suggested polling members to see who will want attend event (due to social distancing/virus concerns). Chris B suggested hosting in park with caterer to help keep distance between attendees; Kim P. – BWR caterer may be able to help. Craig P. recommends waiting until restaurant reopens to learn their plans before deciding.

BWR: An update was posted to Facebook groups and emailed to members that a decision will be made by June 1. If event is canceled, will offer several options, ranging from full registration refund to moving to 2021.

Much discussion/input ensued about event:

- Chris B. said Harsens Island residents may not want large group and could cause negative impression and damaging relationships for future event; possibly leave island off routes. Recommended making decision before June 1.
- Concerns with ferry availability and new social distancing rules making ferry trips longer.
- Suggestions of limiting # of riders.
- Herb P. – June 1 is late for a decision; minimal coordination has occurred because of so many unknowns surrounding virus/social distancing rules/state requirements.
- Discussion occurred on pushing event to fall but many concerns about virus resurrecting and having to cancel/postpone.
- Concerns raised about challenge of recruiting volunteers.
- Linda M. said CRR will lose $1/per rider for refunds (due to software).

Craig P. thanked everyone for input; board will evaluate all feedback and make decision with BWR coordinators.

NEW BUSINESS:
Linda M. read thank you notes from League of Michigan Bicyclists for $1 per rider donation and PEAC for donation.

Members shared solo ride stories.

Motion to adjourn meeting by Bruce F., seconded by Fran T. Meeting adjourned at 8:38pm.
