**RIDES & TRAINING:**

- (Lots of Detroit Freep Marathon discussion pre meeting)
- Dragi reported that he led a nice ride for Sandro. The riders had a ribbon for him. We were provided a very positive report...Sandro doing well, like brand new & nothing bothering him.
- Joe shared that this past Saturday (Oct 16) was the CIS-GRV Trail ride. He provided a detailed description. Rain threatened on the way up; cleared...it was a nice fall ride
- Joe will be scheduling a ride to Tillson Street.
- Bruce F. discussed the recent Detroit Freep Marathon he volunteered with, having started his volunteer efforts in 2012

## **OLD BUSINESS:**

### **Various:**

- Went to Jays...create vector graphics for front and back (circuit T shirt)
- Linda has not heard re: benches
- Linda reported re: Huntington...use old checks; our balance permits no fees; Linda will be getting a debit card

## **NEW BUSINESS:**

### **Various:**

- Joe inquired if we are still doing club discount of \$20. Responses: it is difficult to do without BWR, along with annual costs such as the storage unit, insurance, etc. (additional note, several bike shops have stopped discounts). So the \$20 discount is on hold.
- Joe inquired if we anticipate BWR next year. Discussion ensued. Advertising is the driver. LMB is not effective. What will be the venue? Premature to approach school now due to possible outbreaks. The pandemic will shape what happens.
- Joe inquired if the board has a sense of when we'll return to in-person meetings. Discussed the Mt. Clemens Library and other options. Would we be interested in a survey? Craig providing input; Jeff added survey-related and vaccine-related input; Richard thinks online has been working well, and that we get to "meet" on rides; Joe's response
- Richard closed out discussion re: running fenders with studded tires.

## **Wrap up:**

Motion to adjourn meeting...seconded...all agreed. Meeting adjourned at 8:02 pm.
