### **RIDES & TRAINING:**

- Les's Sunday ride was to the Lafayette Coney Island downtown
- Joe described the confrontation between a motorist, who deliberately came close to riders, and riders. Discussion about "awareness" continued. Gary suggested a leader and sweeper for rides, and not to engage. All part of open discussion regarding this topic.
- Gary is composing a policy for the club to consider (see Old Business)
- Discussed BWR

## **OLD BUSINESS:**

### **Various:**

- Instituted passwords for ride sheets; seems to be working. Still working to segregate workday rides and all others
- Gary drafting guidelines to discuss as a group (see earlier Riders & Training). Examples include no all clear, helmets, other. "Don't want to take away people's motivation by inundating with rules."
- Craig stated still need to follow up on eBikes. Announce on callout re: eBikes. Leaders also can provide overview.
- Craig injured on 600k Rando ride

## **NEW BUSINESS:**

### **Various:**

- Ran out of venue options for this month
- Re: storage unit...possible move from Mt. Clemens to Shelby. Padlock was broken, and replaced
- Lori & Herb went to St. Aloysius to serve burgers and dogs from leftover BWR. Recipients were very appreciative; donation went to good use
- Duane is the new Ride Director...glad he is doing it!
- Locker donation items...description, then post on FB for paid members first, then provide for New Baltimore non-profit group. Nino brought up "charge?" Good idea to have a nominal payment. Money toward club mission and in line with non-profit tax status
- There will be a wrap-up meeting to follow up BWR. Date??

## **Wrap up:**

Chit Chat/Miscellaneous session:

Watching Tour de France; Richard – did anyone see road markings; Signage for next year BWR; Herb – Michigan Mountain Mayhem Ride; Nino question...How did the stops and meal of other ride compare to BWR?

Motion to adjourn meeting...seconded...all agreed. Meeting adjourned at 8:40 pm.
