### **RIDES, TRAINING & RIDE DIRECTOR:**

- Bike MS is this upcoming weekend.
- Sandro texted to cancel the Thursday mystery ride.
- Kim is encouraging new rides and variety. Also, bring people out and recruit others.
- Nino, Jeri & others attended RAGBRAI.
- Dave J reported on the Pedals & Passport ride.
- Dave J brought up the matter of posting circuit rides that are associated with other club members, with a specific focus on Art & Rick's Gravel Adventures ride. A rather lengthy and significant discussion ensued. After some time, the final note was to inquire with Duane or Craig to contact Art &/or Rick to see if they'd be OK with others posting different gravel rides for circuit credit.  
NOTE (This is not part of the official minutes) – Following the meeting, the club officers had a brief text discussion related to this topic. The results of that discussion should be presented at the next monthly meeting in September.
- The Lollipop ride was a great success.

## **OLD BUSINESS:**

### **Various:**

- Ben raised a question re: club members having connections to political leaders. This could lead to action re: biking infrastructure. A good discussion ensued. We want a voice in this.

## **NEW BUSINESS:**

### **Various:**

- Fred Z. was in a horrible cycling wreck. Some update provided.
- Free Bikes 4 Kids (FB4K) coming up in September. They are always looking for mechanics.

## **WRAP UP:**

- Dave C. will provide for next meeting.

Meeting adjourned at 7:40 pm.
