## **NEW BUSINESS:**

### **Various:**

- Membership sign up or renewal...send reminder email
- Dave asked about calling out gravel rides. Revisited Art & Rick's ride. For the circuit, attempt the scheduled rides with A & R or ask for a different day/time. If not at all possible, then you may call out a gravel ride for the circuit
- Duane inquired about removing Art & Rick's Tuesday gravel from the calendar because of it's geographical proximity to Duane's MOT ride at the same time. After discussion, A & R's ride will remain in it's Tuesday spot
- How about adding FB4K to the circuit list? Maybe replace one. We will replace the Paceline Practice circuit ride with a “Community Service” ride/activity
- Reviewed the circuits.
- Merchandise & Clothing – Anything ordered? Need minimums...start grass roots efforts for this

## **WRAP UP:**

- Dennis P. provided treats, along with Donna L...thank you!
- Fran will provide for next meeting.
