**TREASURER'S REPORT:** Fran provided report for July, 2024:

Balance July 1, 2024:	\$xxxxxx
Inflow:	\$xxx
Outflow:	\$xxx
Balance June 1, 2024:	\$xxxxxx

Our main inflow for July were 8 new memberships.

Out main outflow for July was for our July 4<sup>th</sup> ride costs (food and gas).

Fran provided a detailed BWR Financial Report and provided copies to all members. The report detailed all BWR costs and all BWR income received.

We then had more discussion on T-shirts, including the possibility of selling T-shirts with BWR Registration. We also discussed sponsorships and the fact that many of the sponsors on this year's T-shirt did not contribute in any way to BWR. We decided to re-visit the T-shirt and Sponsorship topics when we form the BWR Committee.

LMB was discussed briefly...whether we should continue to advertise and do the dollar per rider donation.

Motion to accept by Rich Moorman, 2<sup>nd</sup> by Ed Gostin. The report passed.

### **RIDES, TRAINING & RIDE DIRECTOR:**

## **NEW BUSINESS:**

### **Various:**

- We had a special guest...Trevor from Trev's Mobile Bike Shed came in and gave a nice talk on his Mobile bike repair business. He described how to make an appointment and what types of repairs he does. He answered Members' questions and handed out business cards and magnets.
- Sue Moorman inquired about having a club roster available to all club members as was done in the past. Privacy was a concern and we discussed the possibility of having an option of opting out on the roster. We decided it would probably be something that would have to be changed on the Membership application.
- Kim described the Thank you letter that was being sent out to our BWR sponsors.
- We decided that our next meeting we would focus on our Charities and forming a BWR Committee. We also are going to encourage Members to attend the September and joked about offering incentives to get people to come.
