President's Corner: As my last official act I would like to congratulate the new officers of the club who will assume their duties in March.

Diane Titus, Frank LoPiccolo and I would also like to thank the club for the opportunity to serve as officers and offer any help or support we can give to our successors.

In the two years that I have had the privilege of serving as president many people have given freely of their time and effort to accomplish the many things that we have done. It gives me a very warm feeling about the club and its members. I want to thank you for letting me serve as president of a real class outfit and I'm sure that with Ray and Company the stature of the club and the spirit of cooperation will continue to grow.

Thank you,  
Ken

And to our President Emeritus:

Your two years had led our club from its novice status to one recognized for its growing membership, awareness of and participation in good cycling, as well as general fitness events and great social activities. Thanks in great measure to you, Ken, the Blue Water Ramble is the standard by which all other tours are compared. Thanks too Jane, Lisa and Jennifer for your patience and understanding.
