

JULY 1982 NEWSLETTER

EDITORIAL-- The new officers of the club would like to express their thanks for the vote of confidence in them. We have a lot of ideas on what we think might be interesting and enjoyable but we need your input.

Some Ideas:

- Would everyone who is interested submit one ride or special activity that they would like to do.
- A Saturday breakfast ride every two weeks?
- Have a family get-together once a month?

examples:

Zoo ride in June
Picnic ride July 11th
Chelsea Marathon August 28 & 29

*** Please try and attend the next meeting and let us know ***
*** what you think. (Aug. 2nd) ***

We are also looking for volunteers:

Family Activities Coordinator-- Gail Herrington --have volunteered
Waynette Topolski
Chelsea Marathon Coordinator-- _____?
Ride planning Coordinator-- _____?

BANNER-- We now have our official club banner. The beautiful banner was presented and was approved at our July meeting. (looks just like our jerseys)

DUES-- All those members who signed up in August and previously last year, your membership fee is due. Fred Seewald will accept \$ 7.50 individual or \$ 10.00 family at the next meeting to keep your membership current.

GARAGE SALE-- A great BIG thans goes to Sandy Beaman for doing such a super job on the fund-raising garage sale. She took in 191.00 for the three days work to add to the club treasury to be used for expenses on the century. Only about 1/2 dozen families brought items to be sold. (what happened to the rest of you??) We will be having another fun raiser in August at the bike store under a tent awning; it will be a yard sale and a BAKE SALE. We hope to get EVERY member to donate some goodies and some more volunteers to run the operation.

BLUE WATER RAMBLE-- we have already recieved in excess of 25 pre-registrations and expect the action to pick up rapidly. The final mailing of applications was made to local Michigan and Canadian Bike clubs and there should be a landslide response.

To recognize the efforts put in by members and to designate people working the day of the ride, the club will provide Red T-Shirts with the ride logo to:

- * Day of ride workers
- * Commitee Chairpersons
- * anyone designated by chairpersons

T-shirts that are available for purchase will be Royal Blue with a white ride logo.

A reminder- all club members participating in the ride itself the weekend before the official ride and want a commemorative patch and mileage rocker, should submit an application. Day of ride workers should also order breakfasts and dinners if they want them.

At the next regular or century meeting please let Ken Koch (286-1587) if you want a room reservation in the St. Clair area the night before the ride. He is going to try and resreve an entire motel. (PARTY TIME!!!) and will have the room rates.
