ALSO ... in Three Oaks Michigan is the famous Apple Cider Century. If you want to go on this ride, I know of several paid and confirmed applications available, as registration closed on Sept. 1st. For all you people owing a Lear Jet, come to St. Clair, do our century, then fly down to Three Oaks and do their century. Sounds challenging hey?

SUNDAY OCTOBER 3RD-OUR 1ST ANNUAL "BLUE WATER RAMBLE". For all workers, meet at the Riverview Plaza at 5:30AM (YES I SAID 5:30AM) for breakfast, and be ready to set up registration and to get your refreshments for the rest stops at 6:00AM. REMEMBER TO BRING: 2 folding tables & chairs, canopy or umbrella for shelter, garbage bags, paper & pen, masking tape, radios, cards, books, etc. All sag wagon drivers will have to get your repair parts (bring your own tool kits) and first aid items. All members will receive a phone call this week asking you to bake (or buy) 5 dozen cookies or brownies per family. (Bake them early and freeze them). They are to be dropped off at Sandy Beamans house at 18248 Whalen, N. of 15 Mile & E. of Garfield on Wed. Sept. 29th. Please bring them wrapped in a plastic trash bag inside a box. It will take several hours to divide them up for all the rest stops, so we need them there by Wednesday evening!!!! All workers the day of the ride and others designated by the committee chairpersons, come in to the store on Fri. Oct. 1st to receive your free t-shirt donated by the club. We have 175 pre-registered riders and can expect double that to show up on Oct. 3rd. WE NEED YOUR HELP. If you have signed up for a committee, BE THERE, WE NEED YOU.

SOMEONE-Bill Washburn needs a ride up to St. Clair on the 26th of Sept. and on Oct. 3rd. He lives in Mt. Clemens. Will someone share a ride? Call him at 463-8282. THANKS.

CONGRATULATIONS-to the tandem team of TIM PHILLIPS & RUSS HAYDEN who won a trophy at the Chelaea Proving Challenge in Aug. for the most miles ridden. They rode 150 miles, and considering the wind and cold Sat. evening, that was a SUPER JOB. If they get a granny gear to attack that first hill next year....watch out!

DUES-Those members who signed up in Sept. of 81, please pay your dues to keep your membership current. The newsletter goes only to paid up members. \$7.50 individual, \$10.00 Family.
