*****WEEKEND RIDES*****

SUN., SEPT. 18: BWR Pre-ride, 8:00 a.m. Riverview Plaza, St. Clair. Will break up into groups for routes when we get there. Al Barton is leading 200K. Walt and Diane Titus will be riding the 50K at a slower pace with their children. Families and slower riders invited to join.

SAT., SEPT. 24: Laser Light Show, Cranbrook. Must have prepaid tickets through Ken Koch.

SEPT. 24, 25: Tassle application in by 16th; 25th, Apple Cider Century in Three Oaks.

SUN., SEPT. 25: Romo High School to Otisville, 7:30 a.m. led by Tim Woodby and Rose Johnson, 90 miles round trip, brisk pace.

SUN., OCT. 9: Blakes Cider Mill. Family ride to expose our younger riders to the joys of bicycling. Ken Koch will lead from Pavlat's at 8:00 a.m. for a 13-15 mph pace. Faster riders are invited to form their own group leaving at 9:00 a.m. at their own pace and we'll meet out there for cider and donuts. 40 miles round trip.

OCT. 21: Hilly Hundred in Bloomington, Indiana. Ray Dominick has applications and he may be going if you want to get together with him on arrangements.

Please make the following change to your ride schedule:

SUNDAY, OCTOBER 9, 1983: There will be a dual paced 30 mile round trip ride leaving from the store at 9:00 a.m. and proceeding to Kerby and Kerchival to watch the Free Press International Marathon.

Pace Number 1: Walt and Diane Titus will lead a 10-12 mile per hour pace.

Pace Number 2: Ken Koch will lead a 13-15 mile per hour pace.

Because we will not be travelling on major roads, we believe that this ride will afford all club members an opportunity to ride, especially families and children at the slower pace. We do require that parents accompany their children on whichever pace they choose.

Ken has made arrangements with friends of his to set up a Clinton River Rider water stand at the race and it should be great fun cheering the runners on and providing cool clear water. You should plan on spending a couple of hours at the race before starting back.

We also expect that if the weather is warm there may be an ice cream stop squeezed in somewhere.

So come on, get out of the easy chair and onto the saddle and join us!

If there is sufficient participation in both pace groups we can try this more often on club events.
