

OCTOBER 1987

FROM THE PRESIDENT'S DESK

A lot of people are involved in making a ride like the Blue Water Ramble (BWR) a success, and I would like to thank everyone who helped in making this year's ride go so smoothly. There are some people however, who deserve a special thanks for outstanding contribution and effort.

First of all John Edry, our ride coordinator, thanks for pulling it all together. Denise Cryderman, in charge of rest stops and food, thanks from the bottom of our stomachs. Frank LoPiccolo, our fruit man, thanks for supplying us with another great year of bananas and cider etc. Rick Moorman, thanks not only for a job well done on registration, but also for opening your home, where we were all able to help stuff registrations. Thanks Sue Moorman, for your house and husband. To Sue and Jerry Pavlat, thanks for the T-Shirts; they sure are warm on a cold Sunday morning. To Mary (Mamma) Dominick, and the Neumann family, Fred, Helma, Sandy and Derek LaCourse thanks for all your help again this year. We hope you enjoyed the BWR as much as we all enjoy your help and company. Finally thanks to all the others, to many to mention who helped a lot or a little to make the BWR a fun, safe ride one more year.

President,
Duane Nieman

FROM THE DESK OF THE VICE PRESIDENT

I would like to thank everyone who helped on the Blue Water Ramble this year. Thanks to all of you we had a very successful ride again this year.

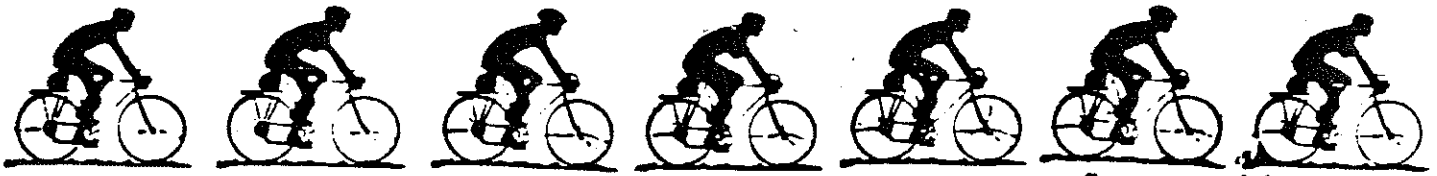

A special thanks goes out to our new members who helped out. You are the future of this club. I would like to thank all of the families of our members who worked. I don't get to see many of you very often but your help is very appreciated. The BWR is a family event.

A personal thank you to Claudia Dominick for her help with the patch, without her help it could not have been done in time, due to me having to go to Italy for my job.

Another job well done to John Edry, Rick Moorman, Denise Cryderman, Jerry and Sue Pavlat, and the whole sag crew.

To those of you who didn't get a chance to come out this year, hope to see you next year - the more the merrier.

Thank You All Very Much,
Andy Neumann

TO ALL BWR WORKERS

I guess it's only right that I write a thank you letter in the newsletter to all workers on the Blue Water Ramble, since my last letter was pleading for help.

Yes, the BWR came off as a great success this year thanks to every person who had some kind of input into pre-plans or day of ride plans. Whether you were able to do a little or a lot, every minute of your time was appreciated. Even though there may be squabbles between club members, everyone in the end pitched in and worked together well. A club divided will never survive but a united club can accomplish many things.

So until next year BWR #6 is history and we'll chalk an other one up to experience.

Thanks again,
Denise Cryderman

The following is a list of the official equipment the club now owns, which has been used primarily on the Blue Water Ramble:
