# NOVEMBER/85

Well, it's turkey month and bike riding season is winding down for most of us. We all want to thank our ride director, Sandra Cryderman, for all her hard work this summer in coordinating our bike rides. Her hard work was very much appreciated.

Also, any ride leaders who still may have some ride sheets, please return them to Sandra for final tabulations.

Effective immediately, there will be no more scheduled rides, but through our grapevine telephone lines, spontaneous rides may occur depending on the weather.

## SKIING

Just because it is getting cooler outside doesn't mean it's time to hibernate. The cooler weather invites us to start thinking of our upcoming cross-country ski season. This year we are in need of a ski coordinator for our outings. Anyone wishing to volunteer, please contact Sandra at 293-0162, or attend the next club meeting.

In relation to our skiing season, there will be a very informative ski clinic held on Sunday, Nov. 24 at the Berkley Community Center, from 1:00 p.m. to 4:00 p.m., the cost at the door will be \$4.50 or \$3.50 in advance. The session will cover various topics including equipment, clothing and tips on techniques of skiing. An instructor from Bavarian Village will be there to teach everyone.

## BICYCLE BANQUET

On Sunday, Nov. 2, the Michigan Bicycling Federation had their annual banquet at the Warren Chateau. After the roller races were completed, a spaghetti and chicken dinner was served, followed by an array of speakers. The guest speakers covered various aspects of bicycling, from current events to future plans. Also many plaques

were awarded to outstanding people and clubs in various categories. We should be proud as a club and be aware of the recognition our Blue Water Ramble has received. We were awarded the 1985 plaque for the "Best New Touring Event." Receiving this award should make our members feel proud their hard work has been fruitful. Our goal next year should be to maintain our quality ride and improve our problem areas.

#### BLUE WATER RAMBLE

If any member still has in their possession any BWR equipment and hasn't any room at their house to store it, Ed Swar has volunteered his basement as storage area. Please contact Ed in regards to this matter if you need to.

Also a meeting date and time will be scheduled in December or January for a committee meeting to discuss possible disbursements of 1985 BWR funds. Rick Moorman has volunteered his home, so the date and time will be in the next newsletter. Please start thinking of useful ideas to benefit other charities, possible equipment needed for the club, or whatever ideas you may come up with.

#### WALLEYBALL

The next two sessions of Walleyball will be Sat. Nov. 16, and Sat., Nov. 30, at the Clinton Racquet Club located on Groesbeck, north of 15 mile. The cost is \$4.00 for 1½ hours. Two courts will be available from 6:00 p.m. to 7:30 p.m. If you have never played before, please note that you must wear light-colored soled tennis shoes. To encourage new people to come and join us, we will be reviewing the rules for Walleyball. A few easy games will be played at a slower pace to show techniques and helpful hints on how to play. For new players, be available for rule review by 5:45 p.m. and meet in the carpeted area outside the courts. For those interested, we will also be going out afterwards for a bite to eat.

#### CHRISTMAS PARTY

Our annual Christmas dinner party will be on Sat. Dec. 7 at 6:30 p.m. at Yarmouth Commons. Any member who wishes to come must call Robin Barton at, 979-6857, to help coordinate a dish to pass. If you are unable to attend the party after you have already called her, please call and cancel.

Also club members may bring their children to the party. But please limit the children to your immediate family. Santa will be there again to pass out gifts, so please fill out the form in this newsletter and mail it to Santa's helper by Nov. 24.

We still are in need of a children's game coordinator. Anyone volunteering to supervise a few simple games for the children please call Denise at 949-6218.

TURKEY TROT

Attention all you runners and could be runners. The annual 10K Turkey Trot is taking place before the Thanksgiving Parade in Detroit. A few of our club members have already registered for this event, namely Sandra, Ray and myself, Denise. If interested in joining us, give one of us a jingle, and put your P.F. Flyers on and start running.

TREASURER'S REPORT

Our club checking account balance as of 9-7-85 is \$9507.52. There still are a few outstanding bills left to be paid from BWR.

LMB

Again this year, the club motioned and passed to purchase LMB magazine subscriptions to the area libraries. The libraries have greatly appreciated our donation and it helps to inform the public of the LMB's existence and promote bicycling in general.

DUES REMINDER

Our membership list has been decreasing due to unpaid dues. Remember, if you wish to continue receiving the monthly newsletter your dues must be paid up. Your dues reminder date of expiration is located on your address mailing label.

MEETING PLACE

Our next meeting will be held at the Fraser Public Library, on Dec. 2, at 7:00p.m. The library is located on 14 mile, just west of Utica Rd.
